

“FIRM LEAGUE OF FRIENDSHIP”

(*LAST CHORUS*)

Written by Howard Egger-Bovet © 2006

We are a Firm League of Friendship that is what we say:

TOGETHER...

we'll find a way
and if we can't,

WELL...

that will do
its all about:

ME...

and not about you
The President of the Congress we don't listen to.
You stay away from my borders. That means you.

Don't cross the line unless I say
And when you do you make us pay.
We're 13 nations with sovereign rights.

You mess with me:

WITH ME...

There'll be a fight.
In that we all agree,
We're a Firm League of Friendship as anyone can see,

It's all about:

ME...
